

# Greeting Cards

Design a New Years greeting card. Draw the animal of the year. Write the year in the boxes.

All over Japan, friends and families post New Year greeting cards, called Nengajyō. The cards show the animal year and include family photos.

*Akemashite omedetō gozaimasu.*  
あけましておめでとうございます。

Write your friend's name and translate the message into Rōmaji or Hiragana.
